• Microphone and webcam management

The microphone and the webcam can be turned on and off with the appropriate commands directly from Zoom screen:

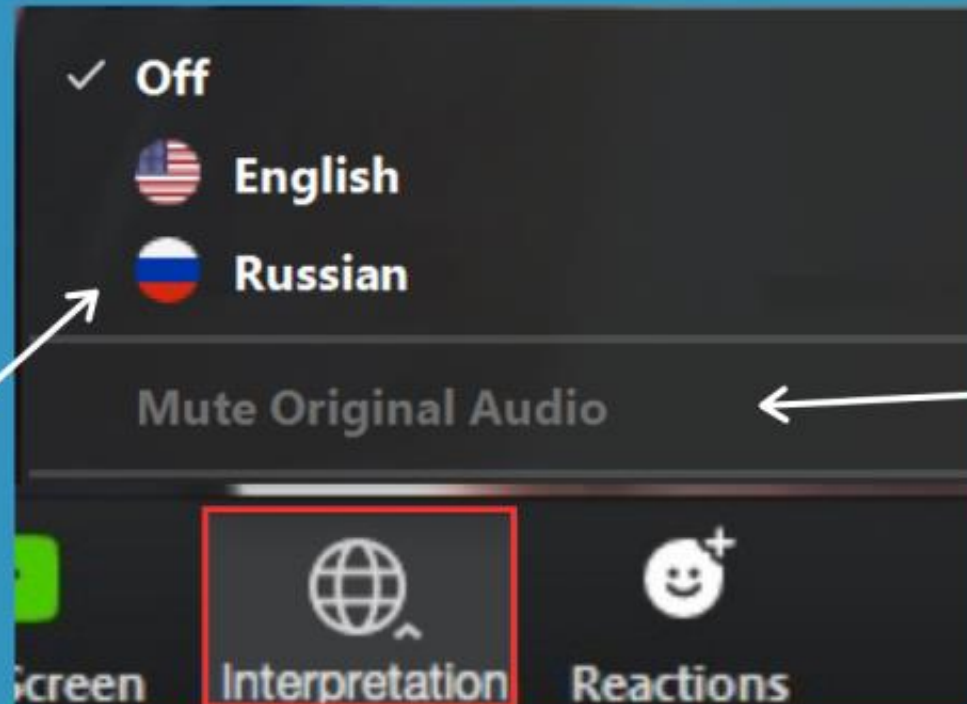

! : the organizer should turned off your microphone and your webcam if necessary, but he couldn't turned on. **Please make sure** you have your microphone and your webcam activated before starting the intervention.

WEBINAR PROTOCOL FOR PARTECIPANTS

This webinar has the option for simultaneous interpretation. Please make sure to select your language preference at the right bottom of your Zoom toolbar.

- In your meeting/webinar controls, click **Interpretation**
- Click the language that you would like to hear.

- (Optional) To only hear the interpreted language, click Mute Original Audio.

FOLLOW THIS STEPS TO SHARE THE POWER POINT

The screenshot displays the Zoom interface for sharing a screen. The 'Basic' tab is selected, showing various sharing options. A red circle with the number '2' highlights the 'Microsoft PowerPoint - Microsoft P...' option. A red circle with the number '3' highlights the 'Share' button. A red circle with the number '1' highlights the 'Share Screen' button in the bottom toolbar.
